## Status on EU directive RoHS (restriction of the use of certain hazardous substances)

Dear Customer,

Here is further information regarding the application of the directive for **Moulded Case Circuit Breakers (MCCBs) SACE Isomax S1, S2, S4, S5, S6, S8 and relevant accessories**.

The EU Directive RoHS 2002/95/EC, amended by the Commission  
Decision of 18 August 2005, 2005/618/EC,  
Decision of 13 October 2005, 2005/717/EC,  
Decision of 21 October 2005, 2005/747/EC,

for new electrical or electronic products put on the market on or after July 1st, 2006, requires reducing of some critical substances.

The **SACE Isomax S1, S2, S4, S5, S6, S8 MCCBs and relevant accessories** are not in the product list covered by the RoHS Directive. We have therefore no plans to change these products.

With best regards,

Giovanni Frassinetti  
R&D Manager Low Voltage Breakers

Matteo Caiti  
Product Manager Low Voltage Breakers
