Lifecycle phase change of ULMA Automatic Braking System (the ABS box)

This document announces the transition of ULMA Automatic Braking System (the ABS box) to the obsolete phase of ABB's product life cycle.

1. LIFE CYCLE PHASE CHANGE

As of January 1, 2009 the ULMA Automatic Braking System (the ABS box) product entered the obsolete phase.

2. SUPPORT AVAILABILITY

When entering to the obsolete phase ABB shall no longer guarantee support for the ULMA Automatic Braking System (the ABS box). Spare parts repair and support services are provided only as long as they are available.

3. RECOMMENDED ACTION

It is recommended that the ULMA Automatic Braking System (the ABS box) should be replaced with a new product. The local ABB organization is glad to help to choose the correct replacement for the equipment in question and explain what other options are available.

For further information, please contact ABB by e-mail: global.productsupport@fi.abb.com.

4. ABB LIFECYCLE MODEL
