

### Declaration

We **ABB AB, Substation Automation Products, SE-721 59 Västerås, Sweden**, declare under our sole responsibility that the family of apparatus:

<b>Transformer protection</b>	<b>Type:</b> RET650 acc. to Product Guide 1MRK 504127-BEN, -BUS
-------------------------------	--

to which this declaration relates is in conformity with the following directives

<b>Directive</b>	<b>EMC Directive 2004/108/EC</b> <b>Low Voltage Directive 2006/95/EC</b>
------------------	---

Our internal quality control system ensures compliance between the manufactured products and the technical documentation.

<b>Year of affixed CE-marking</b>	2010
-----------------------------------	------

### Application of the objects

The family is intended for use in the industrial environment and to protect high voltage or high power apparatus, and thus normally used in a harsh electromagnetic environment near high voltage apparatus.
